About the Kings Royal

The Kings Royal is back bigger than ever in 2022 for the 10th Annual running of the event. After nine seasons, this event continues to deliver a truly entertaining race meeting with an excellent format that is fair to everyone and gives every driver, even on the final night and a realistic opportunity to make the final.

2021 was a non-event unfortunately due to the ongoing COVID Pandemic but it is all systems go to celebrate the 10th year of the Royal in 2022.

2020 was the last time we saw the event run & it was an epic race and with a record crowd at the venue and via our live streaming, the club is anticipating another 70 car field for this season's event.

Based on this, the IBRP Kings Royal X will pay out around \$40,000 in cash with \$26,000 of that paid out during the A Main alone. This year's winner will once again pocket a huge \$10,000, but the most important thing for everyone taking part will be that fact that all competitors will be guaranteed a minimum of \$200 for turning up and taking part in the biggest Modified Sedan event in the country.

Kings Royal History

This will be the tenth running of the Kings Royal at IBRP Kingaroy Speedway. From what started as an idea to showcase our great sedan divisions has quickly become one of the biggest and richest paying Modified Sedan events in the country. After the first year's event was washed out during the 2013 Australia Day floods and massive weather event then last year in 2021 cancelled due to COVID the previous seven events have been huge successes and shape us up for an epic event in January 2022.

Queens Royal History

What is the Queens Royal

The Queens Royal is an event created to celebrate the contribution that all women have made and continue to make within the speedway community. In 2020, the Queens Royal was successfully held at the Kings Royal weekend and was once again a huge success.

This season it is back again and once again this entire concept is all about fun and celebrating women in speedway. It incorporates every aspect of the sport, including drivers, crews, officials, volunteers on and off the track along with the massive part as the support network for many families and drivers as mothers, grandmothers, wives, sisters or friends. The contribution so many women make in this sport is phenomenal and we can't thank you all enough. Here are the results from the 2020 event:
