About the Kings Royal

The Kings Royal is back bigger than ever in 2023 for the 11th Annual running of the event. After ten seasons, this event continues to deliver a truly entertaining race meeting with an excellent format that is fair to everyone and gives every driver, even on the final night and a realistic opportunity to make the final.

2022 was an epic race and with a record crowd at the venue and via our live streaming, the club is anticipating another huge field of cars for this season's event.

Based on this, the IBRP Kings Royal XI will pay out around \$40,000 in cash with \$26,000 of that paid out during the A Main alone. This year's winner will once again pocket a huge \$10,000, but the most important thing for everyone taking part will be that fact that all competitors will be guaranteed a minimum of \$200 for turning up and taking part in the biggest Modified Sedan event in the country.

Kings Royal History

This will be the eleventh running of the Kings Royal at IBRP Kingaroy Speedway. From what started as an idea to showcase our great sedan divisions has quickly become one of the biggest and richest paying Modified Sedan events in the country. After the first year's event was washed out during the 2013 Australia Day floods and massive weather event then 2021 cancelled due to COVID the previous eight events have been huge successes and shape us up for an epic event in January 2023.

Campin

As we all know the Kings Royal is a massive event for our club. This year the camping is being done a little different to previous years.

Here is all the information you will need to know when camping at the Kingaroy Showgrounds for the Kings Royal event. Please take the time to read all the information that is provided below so that everyone knows what is happening.

The Kingaroy Speedway Club is taking over the entire caravan/camp grounds from Monday the 23rd of January to Monday 30th of January.

Firstly, if you are planning on staying in the caravan park area you can enter at Gate 3 near Cheers triangle on Youngman Street. You will see bollards & bunting. You need to see the people at the ticket box near the main canteen to pay your camping & site fees and to be assisted in getting you a camp site. Please be patient and we will make sure that you are taken care of to make sure your stay is enjoyable/

The showgrounds has numerous good hot and cold showers, numerous toilet blocks and powered and non-powered sites. The main power sites will fill up quick and can't be pre-booked so plan to bring alternative arrangements for power. If you are bringing a generator, they are permitted till 9PM in the caravan park area. Note, there is several powered sites right across the venue (behind turn three / four, even out towards the wood chopping and pony club stables). The venue doubles as a caravan park and always has staff on the grounds.

Please affix the permit/sticker to your camper-van, tent, swag, trailer or caravan and please leave your 3 day admission armbands on your wrist as staff will be around each morning to check camping permits and 3 day admission tickets.

Camping is available in Speedway Pit Area for competitors only. When you arrive please only take up 1 pit bay per competitor. As you know the pit area will be very full for this event. You can enter the pit area via the competitors entry gate in Avoca Street (this is Gate 1) The entrance will be open from Monday the 23rd of January. Camping fees leading up to Thursday will be as stated below (same as caravan park fees)

No Scooters or mini bikes are allowed in the camp area or pits, they will be confiscated.

There will be no bookings taken for any camping areas. Please do not save parks for days on end. We need to be fair on everyone wanting to stay.

Security will also be conducting spot checks throughout the weekend, as last season more dishonest people were found.

Competitors can camp in the pits and the same costs / rules apply.

There will be NO FIRE PITS PERMITTED for the weekend.

There will be a daily pit sign in with new armbands each day.

Camping Fees are as follows:

From Monday to Wednesday –

Powered Site \$30 per site/per night
1 site will consist of 1 caravan or 1 motor home or 1 camper trailer or 1 tent
Unpowered Site \$20 per site/per night
1 site will consist of 1 caravan or 1 motor home or 1 camper trailer or 1 tent

From Thursday to Sunday –

Super 3 Day permit \$80 per campsite

1 site consists of 1 caravan or 1 campervan/camper trailer or 2 tents if you are there for the 3 days of the event you will be given a permit to display at your campsite.

No permit means that you have to pay again!!

We thank you all for your co operation & patience and look forward to seeing all our campers back for the 11th Annual Kings Royal!!!

If you have any further questions or need more information regarding the camping please call Tanya Barron on 0487003404 or contact the Kingroy Speedway facebook page.

Gates will be staffed early each morning and after the speedway volunteers, carry out morning camping permit checks and Kingaroy Speedway officials check admission tickets you will be able to enjoy the serenity of the Kingaroy Showground complex in readiness for the next night of the Kings Royal.

We really would like everyone to have a wonderful time after racing each night, which is what speedway is all about, but we would like to encourage everyone camping at the venue to respect fellow campers and after midnight each night, keep music/loud noise to a minimum.

The Kingaroy Speedway club will be running a canteen right throughout the weekend including doing breakfast from 6am daily and lunch from 10am daily. As always our food will remain at extremely affordable prices, so if you don't feel like cooking breakfast, let us do it for you.

Queens Royal History

What is the Queens Royal

The Queens Royal is an event created to celebrate the contribution that all women have made and continue to make within the speedway community. Last year, the Queens Royal was successfully held at the Kings Royal weekend and was once again a huge success.

This season it is back again and once again this entire concept is all about fun and celebrating women in speedway. It incorporates every aspect of the sport, including drivers, crews, officials, volunteers on and off the track along with the massive part as the support network for many families and drivers as mothers, grandmothers, wives, sisters or friends.

The contribution so many women make in this sport is phenomenal and we can't thank you all enough. 2022 event was split using the Top Star / New Star concept. Here are the results:
